

ADDITIONAL PEI COMMUNITY- BASED SERVICES

International Rescue Committee Afghan Path Towards Wellness (APTW)

Screenings for emotional distress, social adjustment support groups, and managed referrals to behavioral health services for Afghan adult women.

(209) 667-2378

Center for Human Services Resiliency and Prevention Program(RaPP)

Classroom-based prevention practices, individual student support sessions, parent engagement & support sessions, capacity-building & well-being focused groups.

(209) 526-1476

BHRS A.R.T. (Aggression Replacement Training)

The Aggression Replacement Curriculum (A.R.T.) uses an approach similar to Cognitive Based Therapy models combined with Social Learning Theory as a means to connect with and impact the decision making skills of youth to reduce aggression and impact school failure, drop out rates which in the long run will likely improve their changes of gaining meaningful employment and thereby reducing the odds of homelessness.

(209) 525-5315

Sierra Vista LIFE Path

A program designed to provide Early Intervention services for 14 – 25 year-olds who have experienced initial symptoms of psychosis. The program provides intensive treatment for consumers, families, caregivers, and significant support persons.

(209) 312-9580

National Alliance for Mental Illness (NAMI)

Education to reduce stigma related to mental health. The program focuses on providing presentations to diverse communities and potential responders, and utilizes individuals with lived experience to present.

(209) 558-4555

BHRS/CHS School Consultation

A model utilized at various school districts and communities to identify and implement mental health prevention and early intervention services.

(209) 525-5315

Sierra Vista Youth Assessment Center

The project goal is to engage identified youth from targeted communities (specifically South and West Modesto) who are involved in the juvenile justice system with low criminal offenses, and to prevent youth and their families from formally entering into the justice system by providing effective, community-based prevention services.

RAIZ PROMOTORES MENTAL HEALTH PREVENTION PROGRAM

RAIZ Promotores invite individuals to strengthen their well-being and community leadership, build friendships, share their talents, create art, plan activities and cultural festivities, and support each other in their groups. RAIZ aims to prevent and reduce mental health stigma and discrimination by strengthening natural communities of support.
